THE STUDENTS OF S. S. ENDEAVOR TO
ACHIEVE THEIR HIGHEST GOALS IN THE
SECULAR SCHOOL LIFE THROUGH ...

... ACADEMIC

Students derive worthwhile benefits by plunging wholeheartedly into the academic life at Spencer Sharples. The faculty works closely with the students, instructing and guiding them in their endeavors. Future success is not all that leads students to doing good work. Academic and achievement honors provide goals in the immediate future.

WE ARE CAPTURED IN THE
NEVER - ENDING CYCLE
OF
LEARNING.

"FALCON DUOS"

I DO MY THING
AND YOU DO YOUR THING
I AM NOT IN THIS WORLD
TO LIVE UP TO YOUR EXPECTATIONS
AND YOU ARE NOT IN THIS
WORLD TO LIVE UP TO MINE.

YOU ARE YOU,
AND I AM I,

AND IF BY CHANCE
WE FIND EACH OTHER
IT'S BEAUTIFUL.

--Frederick S. Peris

STOP! Don't look at the next pages. As you FLY with the wings of a FALCON through these memorable pages, try to recall the events which took place during the year '70 - '71. Were those moments joyful, or sorrowful, or both. What ever the moments were, I hope that we the members of the GOLDEN FALCON STAFF have delineated the moments with a touch of emotional stress on all events. When you reach the very last page of this yearbook, remember you can always RELIVE those precious moments during 1970 - 71 by re-opening this book.

. . . ART

Art is designed to give the students a basic understanding and appreciation of all art forms, as well as to familiarize them with as many different techniques as possible. During the year the students work with materials such as clay, pastels, and various types of paint. It is a course which allows complete freedom of expressions.

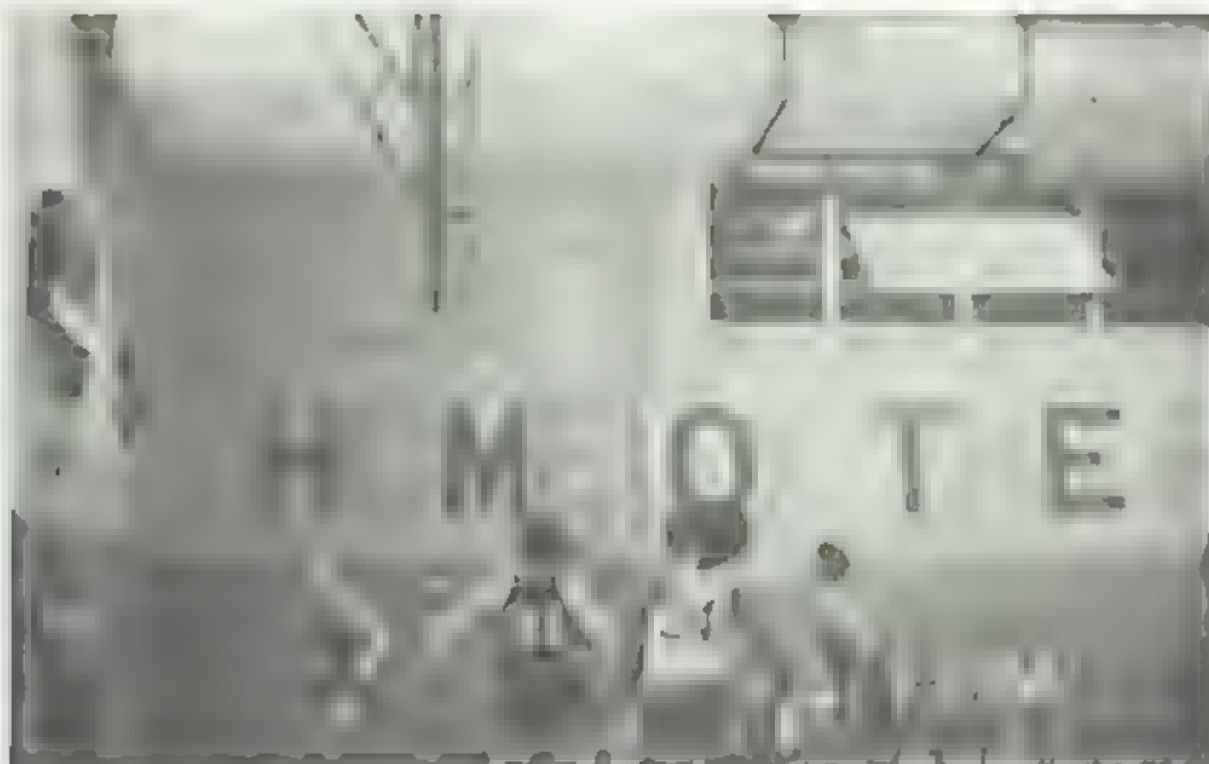

... SOCIAL

"ALL WORK AND NO PLAY" is not true at Spencer Sharples High School. Society says that there is a time for everything. Here at Spencer Sharples students are given time to "express" themselves and to assemble together for rap sessions. Not only are the students given time for rap sessions, but this is also true for faculty members who are free at certain hours.

"EXPRESS YOURSELF ...

SPREAD YOURSELF ...

CURRICULAR

"What sculpture is to a block of marble, education is to the SOUL."

--Addison

"The things taught in schools and colleges are not an education, but the means of education."

--R. W. Emerson

Through clubs and their activities, and other extra-curricular activities one is capable of escaping temporarily from the systematic pattern of learning. Compiling these experiences, the student is qualified to confront the future.

EXPRESSING

THEMSELVES

WHAT

YOU

SAY?!

“I HAVE

**“HE DIED
TO MAKE
ME FREE”**

"I say to you today, even though we face the difficulties of today and tomorrow, I still have a dream. It is a dream deeply rooted in the American Dream. I have a dream that one day this nation will rise up, live out the true meaning of its creed: 'WE HOLD THESE TRUTHS TO BE SELF-EVIDENT, THAT ALL MEN ARE CREATED EQUAL.' "

"When we allow freedom to ring - when we let it ring from every city and every hamlet, from every state and of God's children, black men and white men, Jews and Gentiles, Protestants and Catholics, will be able to join hands and sing in the words of the old Negro spiritual, 'FREE AT LAST, FREE AT LAST, GREAT GOD A-MIGHTY, WE ARE FREE AT LAST.' "

A DREAM . . .

MARTIN LUTHER KING, JR.

With great compassion and great force,
With God behind him all the way;
He led the Negroes in a March,
That is famous to this day.

It started with a lady,
Reluctant to leave her seat.
It continued with a boycott,
And protesting in the street.

All his actions were peaceful,
As peaceful as could be;
So why was he so brutally slain,
While speaking to his followers
From a hotel balcony.

His fight was for everyone,
Yellow, Red, White, and Black
Killing won't help the cause,
And killing won't bring him back.

The thing that we should do,
Is follow the Lord and pray
Stick together and help each other
And we'll solve our problem someday.
